Dear License Holder:

On September 16, 1987, Diamond G. Farms filed an Extension of Time to Avoid Forfeiture of a Water Right (copy enclosed) in connection with the above referenced water right license. RE: Water Right No. 29-07446

Dear License Holder:

One of the conditions of department's approval of the application for Extension of Time to Avoid Forfeiture of a Water Right, filed in 1987 for the above referenced water right, was that beneficial use of water be resumed on or before **November 1, 1997**.

Enclosed is a form, which when submitted, will notify the department that you have again established beneficial use of water as authorized by the water right.

Failure to resume the use of water for the water right and to notify the department of resumed use, will be cause for the water to revert back to the state and again be available for appropriation.

Please fill out and return the resumption of beneficial use form within **sixty (60) days** of receipt of this letter. Please address your correspondence to my attention.

Please contact me at (208)327-7953, if you have any questions concerning this matter.

Sincerely,

A handwritten signature in cursive script that reads "Julie L. Yarbrough".
