Gentlemen:

One of the conditions of approval of your water Permit No. 35-7107 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before April 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. Attn: Merle Derdall

Gentlemen:

We are in receipt of your application for permit for the Massacre Rocks State Park.

This is to advise that the maximum legal rate of diversion we could approve for irrigation of the 5.2 acres is .11 c.f.s., making a total appropriation of .18 c.f.s. If this would be satisfactory, please advise.

Upon receipt of the \$10.00 filing fee, we will begin to process this application. If we may be of any assistance, please advise.

Very truly yours,

Donald W. McEldowney
