This office also acknowledges receipt of the statement of beneficial use postcard and advises that before a license can be issued, a field examination must be made by a representative of this department. I cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our regional office in Idaho Falls.

EXPLANATION: Intestinal bacteria should not be present in your water supply. The presence of these organisms indicates that your water is contaminated. This may be due either to poor quality of water at its source or improper construction and maintenance of the system. Because the quality of water may vary from time to time, it is recommended that repeat samples be submitted. For Department of Environmental Protection and Health recommendations or approval of your water supply, please contact your sanitarian or public health engineer.

Gentlemen:

We are resubmitting a notice of an application for permit to be published on March 4 and March 11, 1976. This notice was originally published in your newspaper on February 12 and 19, 1976, but unfortunately it was advertised incorrectly. Since we did not receive a galley proof we had no way of checking the correctness of this application advertisement before it went to print.

In reviewing the affidavit of publication we find that several errors were made. We, therefore, request that this be advertised again at your expense. Please submit a galley proof before the first date of publication for our review.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the certified publication bill.

Very truly yours,
