Dear Mr. Pieper:

Enclosed please find your check No. 92-315 in the amount of \$35.00 and the application for permit.

When you visited our office last week, the amount of water needed was computed incorrectly. The maximum amount of water which can be diverted for the irrigation of 9 acres is 0.18 c.f.s. Therefore, the necessary filing fee is only \$10.00. Please submit this amount and we will be happy to commence processing.

We are sorry for any inconvenience this may have caused you.

Very truly yours,

MECHELLE BUTTE
Senior Clerk
