Dear Mr. Racine:

Enclosed are the 2 water right claim forms along with checks #92-284 for \$30.00 each.

Unfortunately, the claim forms are not in proper form to receipt, due to lack of information.

Part 1 of the claim must indicate the date when the water was first put to beneficial use. Please note, the claim is not acceptable if the date is later than 5-20-1971.

Part 3 of the claim should indicate the purpose of the water on each form. Also, year round use should be indicated by 1-1 to 12-31.

Part 5A must indicate the point of diversion within the appropriate quarter-quarter section.

Please make the appropriate changes and return the claims and filing fee to this office before 6-30-1983.

If you have any questions, please feel free to contact me.

Sincerely,

Dear Mr. Racine:

Enclosed is the claim to a water right for Arlene McNabb along with check #92-42 for \$30.00.

The information provided on the claim form seems to indicate that there are 2 separate springs from which water is used. A separate claim form should be submitted for each spring unless a common diversion and delivery system is used to convey the water.

Also, part 5B indicates that no diversion is used. A claim of this nature may be of little value since the water is not actually diverted.

If you have any questions, please feel free to contact me.

Sincerely,

STEVE McCORMICK
Sr. Resource Agent
