Dear Mr. Graves:

Enclosed is your claim to a water right which has been completed for your convenience.

Pursuant to our telephone conversation, any changes made in the claim form must be made by yourself as the claimant.

Part 1 of the form has been changed to include the month and day for the priority. In this case, Sept. 15th would seem reasonable as it was the first day of 1955 that the use began.

Part 3 of the form has been changed to read .01 cfs for commercial.

Please return this form as soon as possible as processing cannot begin until it is received. Also, it must be notarized.

Please feel free to contact me if you have any questions.

Sincerely,

STEVE McCORMICK
