Dear Mr. Spraker:

Enclosed is a claim to a water right and check #92-284 for \$30.00 that was received by this office and a typed claim form for your review and completion and signature.

There are three options to filing a claim that you may wish to consider. One way to file would be to file on both homes and stockwater, using the 1943 date of priority, or file a claim using the priority of 1914 for stockwater and the original domestic home and not file on the 1943 home (would be considered as a single domestic home and exempt from mandatory filing.) The third option would be to file a claim for stockwater and single domestic for 1914 and a second claim for the single domestic with a 1943 priority.

Please feel free to contact this office for any additional assistance that may be needed.

Sincerely,

KEITH, C. WILSON
