Gentlemen:

We have checked the notice for proof of completion of works and application of water to beneficial use on Permit No. G-24825 in the name of George E. Nash, appearing in your issue of April 19, and find one rather important error as follows:

In the paragraph numbered 4, the fifth line should read, "SE¹/₄, SE¹/₄ of Sec. 10; all in Twp."; and not SE¹/₂, SE¹/₂.

Please make this correction in your subsequent issues.

Dear Mr. Loofbourrow:

We have your letter of April 2, 1956, stating that Mr. Nash is prepared to make proofs of Completion of Works and Beneficial Use on his Permit No. C-24825.

Before these proofs are made, the statutes require publication of a notice once a week for four weeks in a county newspaper. The notice should be made in duplicate on Form 36 enclosed, setting the time and place and naming the Notary Public before whom the proofs are to be made.

The proofs may be made at any place convenient for Mr. Nash and his two witnesses but the date must be set far enough ahead to allow for four weeks publication.

Both copies of Form 36 to be returned to this Department together with Form 11 which is his authorization for us to have the notice published at his expense in the designated county newspaper.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing and shall send Mr. Nash or you the forms of deposition to be executed by him and two disinterested witnesses in making these proofs.

We are enclosing the Approval for Extension of Time on his Permit No. C-24825 to July 6, 1956, which has been recorded in this Department. This should be attached to the original permit of which it now forms a part.
