RE: Permit No. G-25579

Power County Press

Gentlemen:

We have checked the notice on the above numbered Permit in the name of John P. Mehlhaff appearing in your issue of September 29 and find two slight typographical errors as follows:

1. The letter "C" is omitted from the word Completion in the title.

2. Mr. Mehlhaff's name is misspelled in Paragraph 1 by the omission of the letter "e" behind "l" and before "h".

Please make these corrections in your subsequent issues.

Gentlemen:

We have your letter of September 16 in reply to ours of September 15 calling attention to the fact that your issue of September 8 did not contain the notice on Permit No. G-25579 which was sent you for publication on September 6.

We note that through an error, copy was not set and we assume from this that it was not published in your issue of September 15.

This will require setting a new date for making proof as obviously four weeks publication cannot now be made before October 11.

Will you please confer with Mr. J. P. Mehlhaff and ask him to set a later date so that publication can start in your issue of September 22.
