Dear Mrs. Hinote:

In reference to your letter of August 28, 1969, we are returning your Application For Amendment. Apparently there exists some confusion in just what is covered by your current permit, the NE~~W~~SE~~W~~4, Section 15, T. 7S, R. 36E, B.M., Bannock County Idaho, for 10 acres of irrigation under the above referenced permit. You also have a point of diversion at the SW~~W~~NE~~W~~4, Section 15, T. 7S, R. 36E, B.M., listed under the permit as it now stands. Therefore, there is no need for the amendment.

Our letter of August 1, 1969, was to clarify what you had listed under your Proof form. We now have enough information to proceed with the Permit.

We cannot increase the quantity under the above referenced permit from .08 c.f.s. to .12 c.f.s. The reason that you filed on the additional .08 c.f.s. was to bring your water right on your 10 acres of ground to the maximum allowed under the Idaho Statutes. This maximum quantity of water is .02 c.f.s. per irrigated acre. Once this permit is perfected you will wind up with two separate priorities and water rights for your 10 acres of ground. Both are needed as they now stand in order to complete this.

You should also be advised that once the advertising has been completed by a newspaper, you should pay the newspaper directly and obtain the required Affidavit of Publication. Please do not forget to return the Affidavit of Publication to the Department. If you have any questions on the matter please contact us.

Dear Sir:

Enclosed please find application for Amendment of Permit No. 32074.

In going over records I find that on form 15204 there is a listing of .12 cubic feet per second of water and on form 32074 there is 0.08 cubic feet per second of water. Before filing or publication of what is necessary in regards to these, can amount of water be published and listed as .12 instead of the 0.08?

Also a listing on Permit No. 15204 of land that does not correspond with records and should read: NE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 15, T. 7S, R. 36 E., B.M.

Shall await your answer before sending necessary amount for the publication in the local paper regarding completion of works.

Sincerely yours,

Elna Merrell Hinote

Re: Permit No. 32074

Elna Merrell Hinote
Inkom,
Idaho

Dear Mr. Hinote:

We received your affidavit submitted as proof of beneficial use for permit 32074 on this date.

We are returning a copy of your proof form as there is a discrepancy between it and the original permit as follows:

	<u>Proof form</u>	<u>Permit</u>
Point of diversion:	NE ~~1~~ SE ~~4~~ , Sec. 15, T. 7S, R. 36E	SW ~~1~~ NE ~~4~~ , Sec. 15, T. 7S, R. 36E
Land list:	E ~~1~~ NE ~~4~~ , Sec. 15, T. 7S, R. 36E	NE ~~1~~ SE ~~4~~ , Sec. 15, T. 7S, R. 36E

If the proof form is indeed correct, you will be required to submit an application for amendment to amend the permit. We are enclosing a form for your use, which must be accompanied by a \$5.00 filing fee.

We are holding up the advertising on this permit until we receive a reply from you. Your prompt attention in this matter will be appreciated.

Re: Permit No. 32074

Elna Merrell Hinote
Inkom,
Idaho

Dear Mr. Hinote:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney
