Gentlemen:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-29501, in the name of John Criddle. Final Proof is to be made before you, as Notary on the 4th day of August, 1961, ~~1960~~ at 10:00 o'clock A.M., at Rm. 313-314 Idaho Bank Bldg.

Bldg., Pocatello, Idaho

As of this date we have mailed the Notice to the _____ with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

Dear Mr. Anderson:

Returned herewith is the application for permit with attached receipt No. G-5686 for the \$5.25 filing fee.

The time for completion of works has been changed from one year to 5 years, the maximum time allowable; however the proofs can be made at any prior time.

The answer to No. 13 at bottom of page 2 is missing. Kindly show whether there are any existing water rights appurtenant to the land to be irrigated. Section, township and range should be shown on the maps.

Kindly return after answering question 13 and the application will be processed.
