RE: Permit No. G-24490

Mr. J. Paul Evans
American Falls,
Idaho

Dear Mr. Evans:

We acknowledge receipt of the depositions of yourself and two witnesses submitted in proof of completion of works and beneficial use on Permit No. G-24490.

We return them, herewith, for the following corrections:

1. Question 6 of your deposition should give the legal description of the land upon which the water has been applied.

2. Question 7 of the depositions of your two witnesses describes the $\frac{1}{2}$ SW $\frac{1}{4}$ and SE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 14, Township 6 South, Range 33 East, B.M.; whereas, the Permit and the published notice describe the $\frac{1}{2}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$.

Possibly this is a typographical error and may be corrected.

3. Question 1 of the depositions of both witnesses should be more fully answered as to residence, occupation and postoffice address.

The affidavit of publication is a necessary part of the proof and the Fower County Press was instructed to send this to you. If you have not received it, we suggest that you take the matter up with them at once.

Very truly yours,

Please make this correction in your subsequent issues.

We also note that you have not made the correction in Permit No. G-22880 of W. A. Rowe mentioned in a previous letter. That is that the word Idaho has not been corrected in the fourth line of the notice.
