Ans. Deep Well; Place of diversion: In the NW corner of the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of

Gentlemen;

We have checked the notice of completion of works and beneficial use proof on Permit No. G-22542 in the name of August W. and Harold Isaak appearing in your issue of May 28, and find same to be correct with one exception.

In the next to last line of Paragraph 2, the amount should be 2.25 cubic feet per second instead of 2.5.

Please make this correction in your subsequent issues.
