Instructions to Examiners

1. Examiners will not be permitted to examine any of the receipts in the office pertaining to this permit. They are to furnish a report of the facts and conditions as they exist, from their own observations and inquiries.
2. Always carefully note the location of the point of diversion, and accurately plat same.
3. Find out how many parties own right in the ditch or canal and give their names and amount of right.
4. When proof is for beneficial use, carefully check up the number of acres actually irrigated in each forty and accurately plat same.
5. Make a map showing the correct location of streams and ditches, and the irrigated lands, and any adjacent permanent landmarks, such as towns, lakes, large streams and public roads.
6. If any unusual conditions are discovered, make a plain statement of them under remarks.
7. Always see the holder, if possible, and go over the whole ground with him, and make your report only upon actual existing facts and conditions.

Dear Sir:

Replying to yours of the 10th will say that the notice sent you concerning your proof of beneficial use was an error. Your proof papers are on file and license cannot be issued under the same until after the report of our examining engineer is filed, which will be in the very near future, as the examination has been made. His report will probably not be filed until after he returns from a field trip now under way.

PROOF OF BENEFICIAL USE

BOISE, IDAHO, **November 15, 1920.**

Noter Christiansen,
c/o Fred Waite,
Downey, Idaho.

DEAR SIR:

I enclose herewith the following forms to be used in connection with proof of application of water to beneficial use under Permit No. 14330.

DEPOSITION OF PERMIT HOLDER.

DEPOSITIONS OF TWO WITNESSES.

In submitting this proof the following instructions should be CAREFULLY followed out, since failure to do so may result in the loss of the permit holder's rights:

1. On November 27, 1920, the date set for the proof of application of water to beneficial use, the enclosed deposition forms (one for permit holder and one each for two witnesses) should be filled out and sworn to at Downey, before Fred Waite, notary public.

2. When the depositions have been taken they should be mailed to this office, together with affidavit of publication of notice. When these have been received, together with report of examining engineer, you will be further advised as to fees due before issuing license.

Yours truly,

W. G. Swendsen,
Commissioner of Reclamation.
