Sir:

We are today in receipt of your letter enclosing depositions and check for fee for proof of use of water under above permit. In reply would say that, if the holder will examine his permit, he will see that his proof of completion should have been made on the same date and the final proof cannot be accepted until the proof of completion has been made. The enclosed affidavit form should, therefore, be filled out as of July 3rd, the date the final proof was made. The same should then be returned to this office with fee of \$5.00, according to instructions accompanying same.

When the holder of a permit desires to make proof prior to the date set out in the permit and writes in for blanks, he should give the number of his permit in order that the correct blanks may be sent him.

Permit 10034-R.Bboxham

R. H. Palmer, Lawyer,
Downey, Idaho.

Sir:

Replying to your letter of the 26th inst., enclosing notices for proof of beneficial use of water under above permit, would say that it will be impossible for us to get the notice to the paper in time for this week's publication. I have, therefore, set July 3rd as date of proof and, unless we are otherwise advised by Monday, the 1st of June, the notice will be sent out accordingly.

Very truly yours,

F. P. KING,

State Engineer.
