Gentlemen:

Re: Permit No. 82-7094

Returned is the proof of beneficial use form submitted to this office on April 8, 1987. Before the department processes it, more information is needed.

The permit shows that you proposed to divert water for two domestics and irrigation of one acre. The proof shows there are presently two domestic uses. Is there any irrigation?

The permit also shows that the total diversion would be 0.08 cfs for the domestic uses and irrigation. Please determine what the rate of flow is and complete the proof form according. Please note the rate of diversion. There will be a fee unless the total water use is less than 0.04 cfs.

Please return the proof form and fee, if necessary, by June 15, 1987 to keep the permit in good standing.

Sincerely,

RITA I. FLECK
