Dear Mr. Foit:

We are sorry for our delay in answering your letter of August 31, 1972, to Mr. Ted Biladeau. Your letter refers to an application to appropriate public waters by Mr. Daryl M. Keck. Mr. Keck has a permit for pump and pipeline right of way that was originally issued to Mr. F. H. Van Lydegraf (No. I-012528). There is no indication here that he plans to enlarge his present pump or pipeline use area and we have no objection to the increase of 0.7 cfs of water that he plans to pump from the river provided Mr. Keck settles out any silt from his return flows to the river.

INTER-DEPARTMENT MEMO — 1

FROM G. L. Page

DATE September 21, 1972

TO File #51-7068

SUBJECT I spoke with Mr. Keck Sept. 21, 1972 concerning whether he had an easement across the land which the Fish & Game Department advised our department was withdrawn by Public Land Order #4153. Mr. Keck advised he thought he had a 99 year easement. He has had three permits with the same point of diversion for many years.

I feel we should grant the water permit. He is going to locate and send copy of the easement.
