Re: Permit No. 02-7078

Dear Mr. Richardson:

On February 15, 1972, the Department requested that you amend the above referenced permit to change the point of diversion from the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Sec. 36, as listed under the permit, to that location actually found by the field examiner. You were advised that when such amendment was approved, the Department could issue a water license.

The Department has failed to receive said amendment and, as a result, is unable to issue a water license. Therefore, you are hereby notified that under the provisions of Section 42-311, Idaho Code, as amended, said permit is hereby held for cancellation for failure to complete the permit as required, and you are required to show cause before the Director of the Department of Water Administration on or before May 7, 1972, why said permit should not be cancelled.

Permit 02-7078 claims the use of 2.4 cubic feet per second of water from the Snake River and the permit was approved July 8, 1968.

Dear Mr. Richardson:

A representative of this Department has made an examination of the works covered by your Permit No. 02-7078 and has found the following:

Quantity of water diverted: 2.4 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 2.4 cfs

The maximum quantity diverted shall not exceed 702 acre feet per season.

Beneficial use: Irrigation of 156 acres within the N $\frac{1}{2}$ NE $\frac{1}{4}$ (78),
N $\frac{1}{2}$ NW $\frac{1}{4}$ (78), Sec. 1, Twp. 1 N, Rge. 3 W, B. M.

Point of diversion: Lot # 7, Sec. 36, Twp. 1 N, Rge. 3 W, B. M.

The priority date established is: May 24, 1968

If you do not concur with these findings, please advise us within 10 days; otherwise, a license will be issued as set forth in this letter.

Our field examination indicates that the point of diversion is located within Lot # 7 of Sec. 36, whereas your permit lists the point of diversion as being within the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Sec. 36. Therefore, it will be necessary to amend the permit before a license can be issued. We are enclosing a partially completed application for amendment for your use. Please sign the amendment form and return it to this office with a \$10.00 filing fee within the 10-day limit as stated above.

Sincerely,

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you can not publish the notice on the proposed dates please contact us immediately.

An affidavit of publication must be submitted to the Department of Reclamation, along with the publication bill. In order to receive payment, the following certification must appear on the bill:

I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of same has been paid.

(Do not sign letter)

Signature of claimant

Very truly yours,
