RE: Application #02-7027 - Cunningham and
Permit # 31516

Dear Mr. McEldowney:

On December 20, 1968, we were advised by your office the Cunninghams had submitted an Application to divert 3.6 c.f.s. of Snake River water, under Application # 02-7027. Your letter indicated there appeared there would be no problem in securing a Permit for said water. In checking our files, we apparently did not ever receive a copy of said water Permit. I would appreciate your sending me a photo-copy of it. In this connection, please bill us for any costs involved.

The Cunninghams have advised us that they have filed Proof of Completion of Works and have applied the water to beneficial use, both as to the water under Application # 02-7027 and Permit # 31516. I would very much appreciate your advising me as to what progress, if any, has been made toward the ultimate issuance of a Permanent Water License.

Very truly yours,

Dear Lonnie:

Pursuant to our telephone conversation of December 19, 1968, we wish to advise you that Gerald J. Cunningham, Grandview, Idaho has applied for a permit to appropriate the public waters of the State of Idaho.

The application proposes the diversion of 3.26 cubic feet per second of the waters of the Snake River, 3.2 cubic feet per second which is for irrigation purposes from March 1 to November 31 and .06 cubic feet per second for stock watering purposes from March 1 to November 31 of each year, with a point of diversion located in the SE $\frac{1}{4}$ SW $\frac{1}{4}$, sec. 15, T. 5 S, R. 3 E, B.M., Owyhee County, Idaho for use in the E $\frac{1}{2}$ SE $\frac{1}{4}$, sec. 21, and the W $\frac{1}{2}$ NE $\frac{1}{4}$, sec. 28, T. 5 S, R. 3 E, B.M.

The application submitted on December 18, 1968 will require approximately six (6) weeks for processing. The intentions of this application appear to comply with existing statutes and policies of the Department of Reclamation. At the present there appears to be water available for appropriation at this location. Barring possible interference with existing water rights, final action on this application should be favorable.

Please contact us if we may be of further assistance.
