Dear Mr. Tindall:

On June 11, 1968, the Boise District Manager issued an "Initial Decision" approving your desert land petition I-721.

According to your plan of development, water for irrigation is to be obtained from C. J. Strike Reservoir. You must submit evidence of your right to appropriate and use the water, and you must obtain a right-of-way for the proposed pumping plant and pipeline.

The evidence of your right to appropriate and use the water should consist of a copy of a State water permit approved by the State Reclamation Engineer. The attached extra copy of this letter should be submitted to the State Department of Reclamation at the time you apply for a permit. Unless they have knowledge that the land has been classified as suitable for entry, they may decline to issue the water permit. You should make arrangements with the State Reclamation Engineer to have a copy of the permit sent to this office.

Please refer to our letter of April 19, 1968, regarding the procedure to be followed to obtain a right-of-way for the pumping site and pipeline. An additional copy of the instructions for obtaining a right-of-way are attached for your information.

We would appreciate receiving a copy of the permit and the right-of-way application as soon as possible. Please advise us when you apply for the permit.

Sincerely yours,

Dear Mr. Higginson:

Department of Reclamation

The land covered by desert application I-721, of Ivan K. Tindall, has been classified as proper for development under desert entry. However, the land covered by the application of Jacqueline M. Tindall has not been classified because the proposal for irrigation involved association with other members of the family.

A letter has been sent to Mrs. Tindall requesting a change in the plan of irrigation development. When this is submitted, her file will be referred to the District Office for a classification decision. The field investigation work indicates that the classification will be favorable.

At this time, it seems appropriate to process the application for a water permit to serve the lands of both Ivan Tindall and Jacqueline M. Tindall. The legal description of the land covered by these applications is as follows:

<u>Serial Number</u>	<u>Name</u>	<u>Land Description</u>	<u>Acres</u>
I-721	Ivan K. Tindall 580 East 10 North Mountain Home, Idaho 83647	T. 6 S., R. 5 E., B.M., Section 4: S $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$; Section 5: NE $\frac{1}{4}$ SE $\frac{1}{4}$, N $\frac{1}{2}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$, N $\frac{1}{2}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$, SE $\frac{1}{4}$ SE $\frac{1}{4}$ SE $\frac{1}{4}$.	315.00

Dear Mr. Tindall:

We are in receipt of your affidavit submitted as proof of beneficial use for permit 02-7021. However, in reviewing that affidavit, it appears that you have failed to install the measuring device as required by the conditions of approval of your permit and by Section 42-701 of the Idaho Code.

We cannot accept your proof affidavit and issue a license unless you have installed a measuring device of a type approved by the Department. We will hold your affidavit until you can supply us with information as to the type of measuring device installed. You should be aware that failure to install the device and supply information as to the type of device installed may result in the loss of your permit. We will withhold action regarding your permit until June 15, 1970.

We are enclosing a list of the types of devices approved by the Department of Reclamation. We would appreciate hearing from you regarding this matter as soon as possible.

Re: 02-7021

May 13, 1970

Also in reviewing your proof affidavit, we find that there is a discrepancy in the land list between the affidavit and your permit. Your permit lists the lands to be irrigated as follows: E $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 5; S $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$, Sec. 4. Whereas, your affidavit lists the land to be irrigated as follows: E $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 5; W $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$, Sec. 4. If your affidavit is indeed correct, you will be required to submit an Application for Amendment to the Department.

We are herewith enclosing an Application for Amendment form for your use. Please be advised that there is a \$5.00 filing fee required when submitting an amendment application.

If you have any questions, please do not hesitate to contact us.
