Gentlemen:

We are today in receipt of a copy of your paper of August 23, 1956, which should contain a notice of Proof of Application of Water to Beneficial Use on Permit No. 20762 in the name of Oscar Gross of Cambridge, Idaho.

However, in searching through the paper several times, we are unable to locate the notice which was to have been published once a week for four consecutive weeks prior to September 17, 1956.

If this notice is in the newspaper, please send us a marked copy of same in order that we may check.

However, if the notice is not being published, it will now be necessary for you to change the date in the first line of the notice from the 17th day of September, 1956 to the 24th day of September, in order for the four weeks publication prior to making the proofs.

Please let us hear from you regarding this publication.

PROOF OF COMPLETION OF WORKS

Mr. Oscar Gross
Star Route
Melba, Idaho

Boise, Idaho

Dear Sir:-

Under the terms of your permit No. 20762 you are required to complete your diversion works on or before November 26, 1953. I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.
