Desert Land Entry

Assignment Approved

On April 1, 1964, the above entryman (assignor) was
allowed desert land entry, Idaho CL1909, on the following lands:

T. 5 S., R. 5 E., Boise Mer., Idaho
sec. 31: lots 5, 6, 7, S₂NE₄, N₂SE₄
sec. 32: SW₁NE₄

On November 15, 1966, the entryman (assignor) filed a deed
assigning all of his right, title, and interest in the entry to the
assignee named above. The assignee has filed an affidavit showing that
he is qualified to accept an assignment of and hold a desert land entry.

A review of the case file indicates the entry is now in good standing so
far as the record shows. However, this office does not attest to the
full compliance with the desert land laws as presently reflected by the
case record.

The assignment is hereby approved and the records of this office are
noted to show that the assignee is the entryman for the lands assigned
under the above-identified desert land entry. The remaining compliance
to be met on this entry and the due dates are shown below:
