Dear Mr. Pancoast:

As a result of a search of our records, three filings have been found in the vicinity you questioned. A summary of them is as follows:

License No. 02-2149 was issued to Cecil L. Hampton for the diversion of 1.4 cfs of water from the Snake River at a point within Lot 3, Sec. 2, Twp. 6S, Rge. 7 E, B.M. The license is for the irrigation of 70 acres within Lot 3 and Lot 4 of Sec. 2, Twp. 6S, Rge. 7 E, B.M.

Permit No. 02-2391 was originally issued to Cecil L. & Geneva O. Hampton, but it has been assigned to Eugene A. & Caroline A. Richardson. This permit authorizes the diversion of 3.1 cfs of water from the Snake River at a point within Lot 5, Sec. 2, Twp. 6S, Rge. 7 E, B.M. to be used for irrigation purposes of 155.14 acres within Lot 5 (51.83), Lot 6 (8), Sec. 1; SW $\frac{1}{4}$ NE $\frac{1}{4}$ (40), Lot 5 (55.31), Sec. 2; Twp. 6S, Rge. 7 E, B.M.

Permit No. 02-2402 is, of course, in your name. This permit is presently in good standing with proof of beneficial use of water due on or before February 1, 1978.

Since no right was found for the irrigation of Lot 4 of Sec. 1, we have enclosed an application for permit form with instructions. If you have any further questions regarding this matter, please let us know.

Re: Permit No. 33439 (new no. 02-2402)

Mr. Donald P. Pancoast, Jr.
7509 Delight
Lamont, California

Dear Mr. Pancoast;

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply them upon request at any time.

Very truly yours,

Donald W. McEldowney
Appropriation Supervisor
