Dear Mr. Gillespie:

This office has received the assignments submitted in behalf of Keith A. & Leona K. Johnson and William H. & Mildred Lemon.

We wish to advise you that the Department has no procedure for changing the records of ownership once a permit has been licensed. When a license is issued, it becomes appurtenant to the land and ownership is automatically conveyed with the land unless it is specifically withheld in the sales transaction. We will, however, place a copy of the assignments in our files (02-2279 & 02-2418) for future reference as to present ownership. The originals and one copy are herewith returned for your records.

We have also kept one copy each of the assignments conveying interest in Bybee Canal and Certificate No. 171.

The assignment of Keith A. Johnson to the Lemon's in connection with Permit 02-7012 has been recorded. We have kept the original for our file and are returning the two copies.

The assignment of William & Mildred Lemon in connection with Permit 02-7012 is being returned for additional information, as it does not set forth the party to which the assignment is made. We assume the assignment was made to convey interest in the permit to Mutual Life Insurance Company of New York, therefore, we have taken the liberty of partially completing the Department's 'assignment of permit' form for signature by Mr. & Mrs. Lemon. Please note that we will need the mailing address of Mutual of New York; also we would appreciate the address of Mr. & Mrs. Lemon for the permit file.

Please return the assignment for Permit 02-7012 at your earliest convenience. If you have any questions regarding the above, please let us know.

Sincerely,
