Dear Mr. Ingle:

We acknowledge receipt of the depositions of holder and two witnesses, also affidavit of publication in the Owyhee Nugget, all submitted in proof of completion of works and beneficial use on Permit No. **30419**.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Dear Mr. McDowell:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. 30419, in the name of Jack D. Ingle & Kenneth H. Johns. Final Proof is to be made before ~~you~~ Joan as Notary on the 26th day of April, 19 63, at 10:00 o'clock A.M., Bain at 329 Idaho Building, Boise, Idaho.

As of this date we have mailed the Notice to the Owyhee Nugget Marsing, Idaho, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.
