ATTENTION: Mr. Bob Fleenor

Dear Bob:

I called you a few moments ago re water assignments pertaining to James S. Batt and Vernon W. Goldsmith. Please advise me whether permits numbered as follows:

31991	02-2159
29214	02-2398
33337	02-2354

now stand in the name of James S. Batt.

The problem was that all of these permits were at one time owned by the Goldsmith and Batt partnership. James S. Batt has succeeded to all of the land, water permits and so forth. Everything is now owned by James S. Batt.

Vernon W. Goldsmith was married to Jewell L. Goldsmith and a divorce was obtained by Vernon W. Goldsmith. Vernon W. Goldsmith succeeded to all of the right of his wife, Jewell. I need to know specifically if we need any assignment from Jewell L., and if so, what particular permits.

I am very interested in getting this matter wound up so that there will be no problem in respect to ownership of James S. Batt. I will appreciate your help.

Dear Mr. Goldsmith:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968.

The enclosed order modifies the above referenced permit to comply with these rules and regulations. As proof of beneficial use of water is not due under this permit until December 21, 1971, the Department will notify you 60 days in advance of this due date.

Gentlemen:

Please be advised that the assignment of Permit 02-2398, by James S. Batt, is not acceptable, as Mr. Batt is not the owner of the permit. The permit would have to be assigned by Vernon W. Goldsmith, as our records indicate that he is the holder of Permit No. 02-2398. The assignments for Permit No. 02-2354, and 02-2159, are acceptable. However, they are both for only Mr. Batt's interests in the permits. If you wish to gain full control of these permits, you should also have Vernon W. Goldsmith assign his portion of both of these permits.

We are enclosing two new assignment forms for your use in this matter. If we may be of any further assistance, please feel free to contact us.
