Dear Mr. Robinson:

We acknowledge receipt of your letter of June 28, 1952, enclosing depositions of yourself and two witnesses, also affidavit of publication in the Owyhee Chronicle, all submitted in proof of beneficial use under Permit No. 22025.

Before final action is taken in the matter, the law requires that an examination be made by an engineer from this department.

We cannot say just when this examination will be made as this department has but one field engineer who makes examinations all over the State.

However, he will try to contact you at the time the examination is made so that arrangements may be made to show him over the grounds.

Dear Sir:

We enclose herewith blank notice for proof of application of water to beneficial use under your Permit No. 22025. This notice should be filled out in duplicate and returned to this office at least 40 days before the date upon which you wish to make this proof, in order to allow time for the four weeks' publication required by law.

This proof must be submitted before a Notary Public or other officer authorized by law to administer oaths.

The date for proof, as set out in your permit, is not later than July 7, 1952, and if proof is submitted later than said date, your priority will be brought down a length of time equal to the time elapsing between the date the proof is due and the date proof is actually made.

Dear Mr. Robinson:

We enclose Certificate of Completion of Works issued on Permit No. 22025 for the diversion of one (1) second foot of water from Snake River in Lot 4, Section 10, Township 3 North, Range 5 West, B.M., together with Departmental Receipt No. 23551 for the \$5.00 fee paid in connection with this proof.

We notice that your affidavit only describes Lots 3 and 4, Section 10, Township 3 North, Range 5 West, B.M. as the place where the water is to be used, whereas the Permit includes the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of said section.

Was this omission intentional or should the SW $\frac{1}{4}$ SE $\frac{1}{4}$ be included?
