Re: Application for Permit

Dear Mr. Kevan:

Mr. Lonnie Leavell was in concerning your permit application and after we reviewed permit no. 20432, it appears that I was in error on the amount of water which you could apply for on this new application. The map on this application shows land in section 32 which is covered by the other permit, however you did not ask for water for land in section 32, so we can issue the permit for the 3.0 c.f.s you applied for.

We do need an additional \$10.00 filing fee as the total fee will be \$45.00. Mr. Leavell was to have the additional money sent in, however, to date we have not received it.

Sincerely,

ROBERT W. HAMILTON
