INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address, or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights, and, if a required claim for the water right has not been filed, to file the needed claim.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures, or if you have questions about completing this form, please contact your nearest IDWR office or call 1-800-451-4129.

If you need additional space to describe or explain any of the items on the form, please attach additional sheets to the form as you may require.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believe there are water rights for the property but the numbers are unknown, you may wish to call IDWR or come into an office of IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or" or "and/or". If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign, however only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. If the property you have purchased is only a portion of the property owned by the former owner/seller, you may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

RE: WATER RIGHT 03-07038

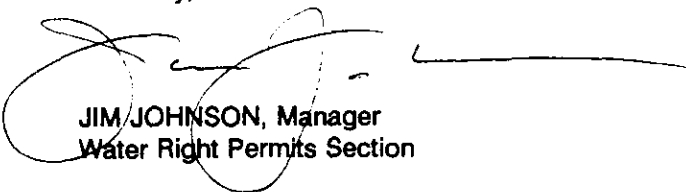

Dear Mr. and Mrs Floyd:

The Department is in receipt of the correspondence changing ownership of the above referenced water right to you. We have modified our records to reflect this change in ownership and a computer generated report is enclosed.

Just a reminder, because of a law that went into effect July 1, 1996, all water right owners are required to report change of address or ownership to the department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee to the water right owner. If you have other water rights that haven't had the ownership updated please contact the department as soon as possible.

If you have any questions regarding this matter, please feel free to contact me at (208) 327-7947.

Sincerely,

JIM JOHNSON, Manager

A one HP pump draws water through a 40'-1 1/2" PVC pipe from the Snake River. At the pump water is diverted to a 1 1/4" PVC buried pipe to a sprinkler system and two hydrants to water a small lawn. Water can be transferred at the pump to a 1" x 150' PVC pipe that provides water to 7 hydrants to irrigate a pasture and garden. Two 5-gallon bucket measurements were taken from a garden hose and hydrant appox.

PERMIT APPROVAL NOTICE

RE: PERMIT NO. 03-7038

DEAR PERMIT HOLDER:

ENCLOSED IS A COPY OF YOUR APPROVED APPLICATION FOR PERMIT. WE DIRECT YOUR ATTENTION TO THE CONDITIONS OF APPROVAL ON THE FOURTH PAGE.

NOTE ALSO THAT WATER SHALL NOT BE DIVERTED UNDER THIS PERMIT UNLESS THE FLOW OF THE SNAKE RIVER EXCEEDS ESTABLISHED DOWNSTREAM MINIMUM STREAM FLOWS. IN ADDITION, THERE ARE MANY APPLICATIONS FOR PERMIT FOR THE USE OF SNAKE RIVER WATER THAT ARE PRIOR TO YOUR PERMIT. THESE APPLICATIONS HAVE BEEN FILED FOR THE IRRIGATION OF LANDS THAT THE APPLICANTS ARE ATTEMPTING TO OBTAIN UNDER THE FEDERAL LAND LAWS SUCH AS DESERT ENTRY AND CAREY ACT. IF THESE LANDS ARE DEVELOPED, AND IF THE ESTABLISHED MINIMUM STREAM FLOWS ARE MAINTAINED, THEN NO WATER WOULD BE AVAILABLE FOR THIS PERMIT. THEREFORE, YOU SHOULD CAREFULLY CONSIDER THESE FACTS BEFORE MAKING ANY EXPENDITURES FOR THE CONSTRUCTION OF YOUR SYSTEM.

WE HAVE ENCLOSED A FORM ENTITLED "INSTRUCTIONS FOR PROOF OF BENEFICIAL USE". PLEASE READ THE INSTRUCTIONS CAREFULLY SINCE YOU MUST TAKE FURTHER ACTION TO DEVELOP THIS PERMIT. ALSO ENCLOSED FOR YOUR CONVENIENCE IS THE STATEMENT OF BENEFICIAL USE FORM THAT MUST BE SUBMITTED WHEN YOUR PROJECT IS COMPLETED.
