Water License No. 1685.

WHEREAS, On the 20th day of November, A. D. 1905, JOHN R. BANKS of Payette, County of Canyon, and State of Idaho, duly made application (No.2331) to me for a permit to use 1.5 cubic feet per second of the waters of Snake River, County of Canyon, State of Idaho, for irrigation and domestic purposes, and,

WHEREAS, On the 28th day of November, A. D. 1905, Permit No. 1685 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 28th day of May, A. D. 1906, and for the application to beneficial use of said water on or before the 28th day of May, A. D. 1908, and,

WHEREAS, On the 5th day of March, A. D. 1906, the holder of said permit duly made proof of the completion of adequate works for the diversion of 1.5 cubic feet per second of said waters, as evidenced by my Certificate, No. 1685, dated March 8, 1906, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use 1.5 cubic feet per second of water, with date of priority of November 20, 1905, and,

WHEREAS, On the 12th day of October, A. D. 1907, ^{to beneficial use} proof was duly made of the application of 1.08 cubic feet per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to JOHN R. BANKS, of Payette, Idaho, the holder and owner of said Permit No. 1685, a perpetual right, dating from November 20, 1905, to the use of 1.08 cubic feet per second of the waters of Snake River in the County of Canyon and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point on Snake River in Section 31, Township 9 North, Range 5 West of Boise Meridian, and conducted to and upon an island in Snake River, unsurveyed, situated in Sections 29, 30, 31 and 32, Township 9 North, Range 5 West of Boise Meridian, for the purpose of irrigation and domestic use, subject, however to the laws of the State of Idaho, applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho,
this 12th day of October, A. D. Nineteen hundred and
seven.

Approval of State Engineer.

The number of this permit is 1685.

Date of first receipt of application 3 p. m. November 20, 1905.

Recorded in Book 5, page 1685. Approved November 28, 1905.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho and hereby grant the same, subject to the following limitations and conditions:

Work to begin on or before January 27, 1906, and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before February 28, 1906.

1685

The whole of said work to be completed on or before May 28, 1906.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to May 28, 1908.

Witness my hand this 28 day of November, 1905.

Jas. Stephenson, Jr.

State Engineer.

Notice of Proof of Completion of Works and Notice of Proof of Application of water to Beneficial Use received December 30, 1905, fixing Payette, Idaho, as the place, and March 5, 1906 as the date of proof.

Notice for publication mailed Payette Independent, Payette, Idaho, January 31, 1906, and deposition blanks mailed applicant same date.

Mr Wm. Noot, Payette, Idaho, authorized February 6, 1906 to make examination for both proofs and report to the office of state Engineer.

Affidavit of publication of Notice received March 5, 1906.

Report of Mr. Wm. Noot received March 1, 1906.

Depositions of permit holder and two witnesses, in the matter of proof of completion of works and proof of application of water to beneficial use, received March 7, 1906.

Fee of \$5.00 for proof of completion of works and fee of \$2.00 for proof of application of water to beneficial use, received March 7, 1906.

Depositions and report show that works have been constructed of a capacity to divert and convey to the place of intended use the amount of water for which application was made, and that water has been beneficially applied to 21 acres of land.

Certificate of Completion of Works and License issued March 8, 1906.
License for 1.08 second feet of water issued October 12, 1907.

Permit No. 1685

C E R T I F I C A T E O F C O M P L E T I O N O F W O R K S

To All Whom It May Concern:

This is to certify that JOHN R. BANKS of Payette, County of Canyon, and State of Idaho, the holder of Permit No. 1685, issued upon Application No. 2331, bearing date of priority of November 20, 1905, authorizing the diversion of one and one-half second-feet of the waters of Snake River, County of Canyon, State of Idaho, at a point near the N. W. Cor. of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 31, Township 9 North, Range 5 West of Boise Meridian, (unsurveyed), for irrigation and domestic purposes, has fully complied with the provisions of the laws of the state of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use one and one-half second-feet of water; and that the lands proposed to be irrigated by the use of said water are described as follows, to-wit: an unsurveyed island in Snake River, situate in what will be when surveyed Sections Twenty-nine (29), Thirty (30), Thirty-one (31), and Thirty-two (32), Township Nine (9) North, Range Five (5) west of Boise Meridian, containing Ninety-six (96) acres.

Witness my hand this eighth day of March, A. D. 1906.

- Water License No. 1685 -

WHEREAS, On the twentieth day of November, A. D. 1905, John R. Banks of Payette, County of Canyon, and state of Idaho, duly made application (No. 2331) to me for a permit to use one and one-half cubic feet per second of the waters of Snake River, County of Canyon, state of Idaho, for irrigation and domestic purposes; and,

WHEREAS, On the twenty-eighth day of November, A. D. 1905, Permit No. 1685 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the twenty-eighth day of May, A. D. 1906, and for the application to beneficial use of said water on or before the twenty-eighth day of May, A. D. 1908, and,

WHEREAS, On the fifth day of March, A. D. 1906, the holder of said permit duly made proof of the completion of adequate works for the diversion of one and one-half cubic feet per second of said waters, as evidenced by my Certificate No. 1685, dated March 8, 1906, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use one and one-half cubic feet per second of water, with date of priority of November 20, 1905, and,

WHEREAS, On the fifth day of March A. D. 1906, proof was duly made of the application to beneficial use of 21/50 of one cubic foot per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to JOHN R. BANKS of Payette, Idaho, the holder and owner of said Permit No. 1685 a perpetual right, dating from November 20, 1905, to the use of 21/50 of one cubic foot per second of the waters of Snake River, in the County of Canyon, and state of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point near the N. W. corner of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of section 31, Township 9 North, Range 5 West of Boise Meridian, (unsurveyed) and conducted to and upon the Northeast Quarter (NE $\frac{1}{4}$) of Northeast quarter (NE $\frac{1}{4}$) of section Thirty-one (31), Township Nine North, Range ~~Three~~ ^{Five}, ⁵ ~~18~~ west of Boise Meridian (a portion of an unsurveyed island in Snake River) for the purpose of irrigation and domestic, subject, however, to the laws of the state of Idaho applicable to a license for the use of the waters of the state, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

Witness my hand and the seal of my office, at Boise, Idaho, this eighth day of March, A. D. Nineteen Hundred and six.
