FROM H.W. JONES - Eastern

TO Gary Spackman - Boise

SUBJECT Request For Measuring Devices

Attached are the names & addresses of individuals that W.M. Pete Peterson (Bear River) has submitted. He asks that ~~that~~ these users of Williams Creek (trib to Bear River) be sent an order to put headgates/measuring devices on. Naturally he is in a rush but I feel we have to give these folks at least a month's time to respond.
