Re: *Last Chance Canal Company Water Rights*

Dear Pete:

To follow up on our phone conversation, attached is a summary of the Water Rights leased by Last Chance Canal Company. These need to be included in the calculation of natural flow and storage water delivered to Last Chance. Each of the leases is for a 5-year term which is automatically extended and renewed for successive 5-year terms unless cancelled by either party.

The Panter and P4 transfers were previously approved. I do not have the transfer number for the Harris transfer, which I believe was approved in late June or early July as a "Temporary Change Application" under the drought emergency in Caribou County, with a permanent Transfer Application being processed as well.

If you have any questions or need any additional information, please contact me.

Sincerely,

RANDALL C. BUDGE
