PETITION FOR CONSIDERATION

Mr. Tim Luke

NOT AWARE OF YOUR LETTER OF
FEB 20 BECAUSE OUR MAIL WAS BEING HELD
AT POST OFFICE BECAUSE I WAS ONLY GOING UP
ON WEEKENDS.

- 1- HAVE RECEIVED YOUR LETTER
- 2- TALKED WITH ROCK HOLBROOK
ABOUT THE TASK.
3. HAVE PURCHASED A PARSHALL
FLUME TO INSTALL.

HOWEVER FLUME WE BOUGHT IS FOR 10 CFS
WATER RIGHTS
11-7467 - 69, 60, 62 ARE FOR A 14.38
CFS. WHERE IT IS A SHARPER DITCH
AND GOES TO DAVE WRE OURSELVES AND THEN
TO JENSEN WE NEED TO ESTABLISH
SIZE REQUIREMENTS I HAVE TALKED
WITH ROCK HOLBROOK ABOUT THIS. 4/26/08.

WE ARE ALSO WORKING ON SCREENEN
DISCH WITH MR. DAVE URE WE ARE ALSO
TRYING TO ESTABLISH SIZE REQUIREMENTS.

BECAUSE OF OUR LATE RESPONSE
WE KNOW WE ARE TOO LATE FOR RECONSIDERATION
ON THIS IMPORTANT MATTER. BUT WE
WOULD PETITION FOR CONSIDERATION.

EVERY SINCE BUYING THESE PROPERTIES
FROM THE FARM SERVICE IT HAS BEEN
A LONG STRUGGLE TO GET THESE WATER
RIGHTS ESTABLISHED. I HOPE YOU
CAN SEE DUE DILIGENCE HAS BEEN USED
AND WILL BE IN THE FUTURE TO
ACCOMPLISH SATISFACTORY MEASURING
DEVICES.

Respectfully

Jim Smith
