RE: WATER DISTRICT 75-A, JESSE CREEK

Dear Bob:

Dennis Dunn has reviewed the Daily Record Books, Watermaster's Report and Proposed Budget submitted by Water District 75-A. He has requested that I send all documents to you so you can meet with the Watermaster and correct the figures.

Once these records have been corrected please return them to Dennis at this office. We are not able to take any further action in behalf of this water district until the corrected forms have been received.

Thank you for your help.

Sincerely,

Darlene Newman
Office Secretary
