WATER DISTRICT # 74-Z STREAM: BIG EIGHT MILE AND LEE CREEKS

Dear Mrs. Whittaker:

Enclosed herewith is a copy of the Watermaster's Annual Report for the past season and the Proposed Budget.

The same has been prepared by the watermaster and approved by this Department in conformity with Sections 42-610, 42-614 and 42-615, Idaho Code.

Also enclosed are the adopted budget forms, Petition for Watermaster Services, Oath of Office and necessary documents for your annual meeting.

During the 1993 legislative session, the legislature enacted a new law which amends Section 42-619(9), Idaho Code and removes the independent financial audit requirement for most state water districts. The new law, referenced by Section 67-450B, Idaho Code (copy enclosed) identifies minimum audit requirements for all local government entities. Under the new statute, the governing body of any local government entity (i.e.; water district) whose annual budget does not exceed fifty thousand dollars (\$50,000) has no minimum audit requirements under this section. This means that any district which handles its own money and whose budget is fifty thousand dollars (\$50,000) or less does not have to have an independent public account firm conduct a financial audit every few years as previously required by Section 42-619(9).

Please note that only the statutory requirement regarding the independent financial audit has been changed. Districts handling their own fund (i.e.; districts who collect and/or disburse their own funds) must still submit their own statement of the water district's financial affairs at the end of each fiscal year. As recommended in the Department's February 16, 1993 letter and the 1993 Watermaster Handbook, a copy of the financial statement may be submitted either with the annual water masters report or with the

Page 2 minutes of the annual meeting for the ensuing year. An example of an annual financial statement may be found in Appendix C of the 1993 Watermaster Handbook. The purpose of this letter is to remind all water districts that workers compensation insurance is required for all water district employees. This requirement applies to all water districts in Idaho, regardless of annual budget. Insurance should be applicable least to all paid water district staff, including the watermaster as well as watermaster assistants, advisory committee, secretary and treasurer. The costs associated with workers compensation insurance is paid directly by the water district and should be considered an expense of the district. For information about obtaining insurance and insurance costs etc., please contact the Idaho State Insurance Fund. The State Insurance Fund has

Water districts are also reminded that all paid water district staff may be subject to state and federal withholding taxes. These tax requirements will vary depending on salaries and total income of each watermaster or employee. In many water districts, particularly smaller districts with part-time staff, payment of these withholding taxes may be the responsibility of the watermaster or each employee. Districts may wish to contact the State Tax Commission or the Internal Revenue Service for information about state and federal withholding taxes.

MINUTES OF WATER DISTRICT 74-Z ANNUAL MEETING HELD MONDAY, MARCH 4, 1996, 2:00 P.M. AT THE CITY BUILDING, LEADORE, IDAHO.

The following members of the Water District were in attendance;

Ralph McRea Cal Whittaker

James Uhittaker Tom Udy

Leslie Young

As Chairman, Bruce McConnell was not in attendance, the meeting was called to order by Ralph McRea, who then read the minutes of last year's meeting, which was approved as written.

A discussion followed as to the need for the District to carry Worker's Compensation. It was decided that the District should have this coverage and for the Secretary to make application to the Idaho State Insurance Fund for the minimum coverage that the District would need.

With this in mind, a motion was made to keep the salary and equipment rental of the watermaster the same as it was last year, which was \$300. per month salary and \$450.00 per month equipment rental and to keep remuneration to the watermaster for the yearly Watermaster Report at \$40.00. Seconded and approved.

In the matter of a budget for the 1996 season, after some discussion and calculation, a motion was made by James to add 20% of the proposed budget after the credits and debits from last year's actual use were worked into it. The adjusted proposed budget was \$4,824.92 and with \$964.98 (20%) added it would come to \$5,789.90. Approved.

It was proposed and approved to again have the Lemhi County Treasurer bill and collect the District's water tax monies from the District's water users for this approved budget and then disburse the funds to the Water District's Treasurer for the payment of the District's obligations.

In the matter of hiring a watermaster for the 1995 season, a motion was made to rehire and keep Richard A. Moll as watermaster, which was unanimously approved by the members. There were no other applications for the position of watermaster.

A motion was made to retain the same dates as last year, which are to have the watermaster go on and start measuring water April 15, 1996 but may be signed on as early as April 1, 1996 if needed, at the request of one water user, in conformity with Idaho State law, and to serve until October 1, 1996, at which time he may be signed on to serve an additional length of time, but not to exceed October 31, 1996.

It was decided to retain all those items from last year's minutes pertaining to the good management and operating practices of the water district. They are:

1. That the watermaster turn in each month's records prior to getting paid each month.

- 2. That the watermaster start measuring water at 8:00 A.M. when stream flow is on the increase, and that measurement be made between 10:00A.M. and 12 Noon when stream flow is on the decrease, but allowing some flexibility for the watermaster to use his own discretion as to the need of the district.
- 3. As has always been done, all water in the creeks over and above the existing water rights be divided proportionaly to the existing rights and decrees by the watermaster.
- 4. That the watermaster may call upon the owner for assistance in getting water into or out of a ditch.

In the selection of officers for 1995, the following were approved:

Bruce McConnell, Chairman Cal Whittaker, Secretary/Treasurer

Leslie Young, Advisory Committee James Whittaker, Advisory Committee Ralph McRea, Advisory Committee

A motion was made to have the amount of assessment to each water user as shown on the adopted 1996 budget become due and payable May 1, 1996, and that amounts if not so paid shall bear interest at the rate of 10% per annum as of May 1st of the year payment is due, until paid. Approved.

As there was no other business, the meeting was adjourned at 3:00PM.

Signed
