Re: Water Master, Water District 13A

Dear Mr. Luke:

Our office was recently contacted by Preston-Whitney Irrigation Company and asked to prepare and submit a Petition Requesting Extension of the Water Master's Term of Service for Water District 13A. We have prepared such a petition and the original is enclosed with this letter. We would very much appreciate anything that can be done to expedite this matter and would be pleased to provide assistance in anyway that might be appropriate. Thank you for your kind attention to this matter.

Very truly yours,

Kent W. Foster
