DEAR MR. JONES:

I would like to have these non irrigation water usage reports for 1996 and 1997 filed with the other reports for 96 and 97. It was discussed and approved to do this at our 98 annual meeting. These reports are for winter months that I'm required to measure water usage year around.

Also, could you send me 8 watermasters daily record books? I did not receive any with my certificate of appointment.

I like the report that was sent back to me for the daily records usage. That took somebody a lot of time to enter all that data. I'm looking forward to the watermasters work shop on the 16th, I have a lot of questions that need to be answered. Thanks for all your help.

Sincerely,

Troy P. Foster (Troy Foster)
