Local Advisory Committee Meeting

***AGENDA***

**1.** Watermaster's Report:

A. Financial Statements and Budget Analysis.
B. Water measuring and flows - Accounting report for August 28, 1995. Horseshoe Bend - 2,320 cfs; BC Dam - 811 cfs; Letha - 115 cfs; Pay. Bridge - 459 cfs; Cascade Res. - 623,369 af; Deadwood - 129,800 af.
C. Update on Transfer Applications, PRWU, etc.
D. Watermaster is asking to join the U.S. Committee on Irrigation and Drainage a non-governmental professional organization for water professionals. Cost is $75.00 per year. They are also sponsoring a water conservation seminar in Sacramento, Calif. on October 5-7 of this year. My suggestion is to attend this seminar as it pertains to the Bureau's water conservation plans and this drainage.
E. Projected refill scenarios for Cascade and Deadwood Reservoirs - 1996.

**2.** Approval of lease/rental agreements for out of basin use:

| | | |
|---|---|---|
| Emmett Irrigation District | 10,000 acre feet | Deadwood |
| Emmett Irrigation District | 11,882 acre feet | Lake Reservoir |
| ~~Farmer's Cooperative~~ Enterprise | 704 acre feet | Lake Reservoir |

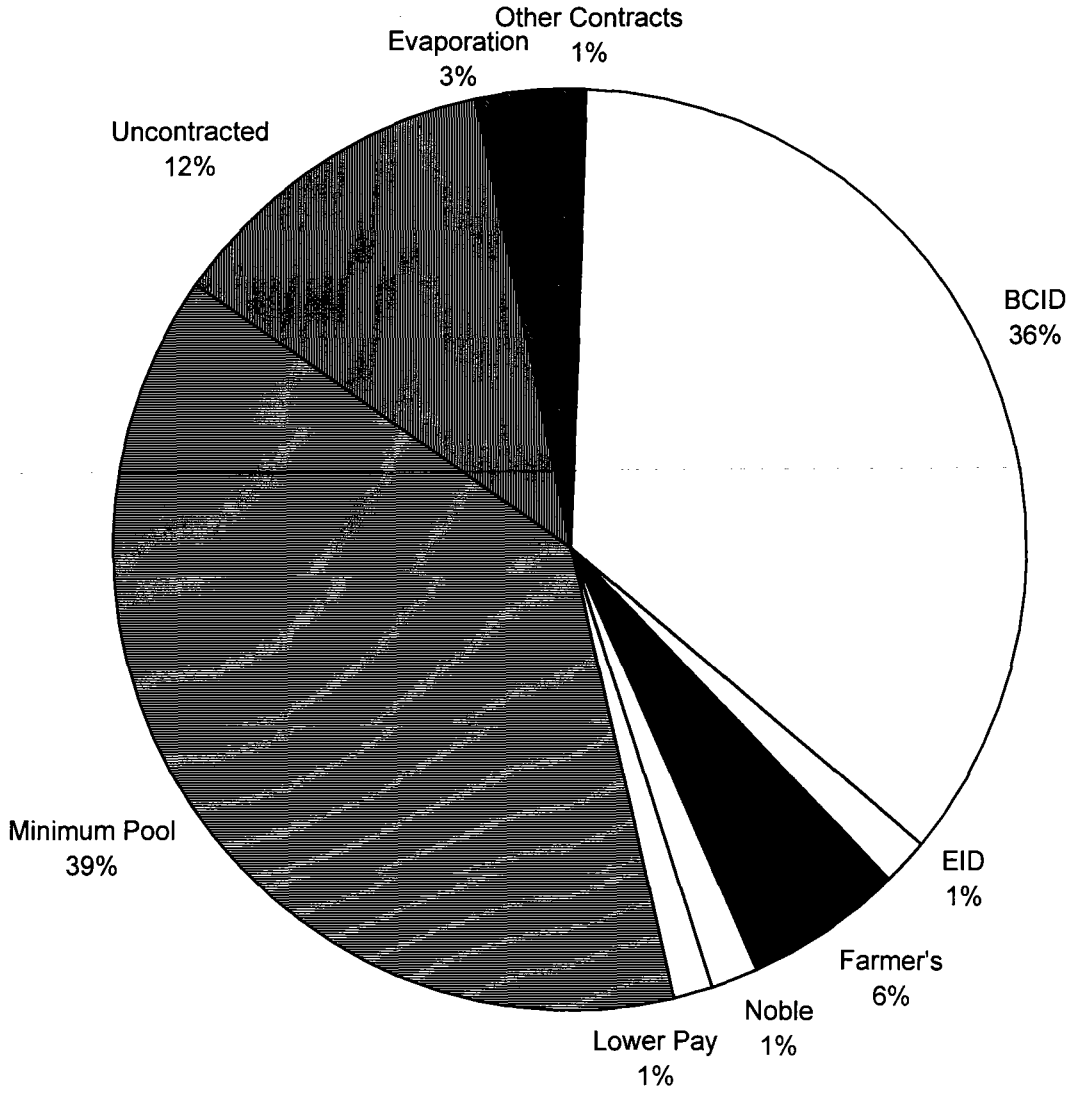

As of today, we have requests to rent storage water for in-basin use of 110 acre feet, and out-of-basin use of 35,000 acre feet. The rental pool has the following space leased to it (including the above amounts):

| | | |
|---|---|---|
| In basin use only | 880 acre feet | Deadwood |
| Out of basin use | 10,000 acre feet | Deadwood |
| | 50,086 acre feet | Cascade |

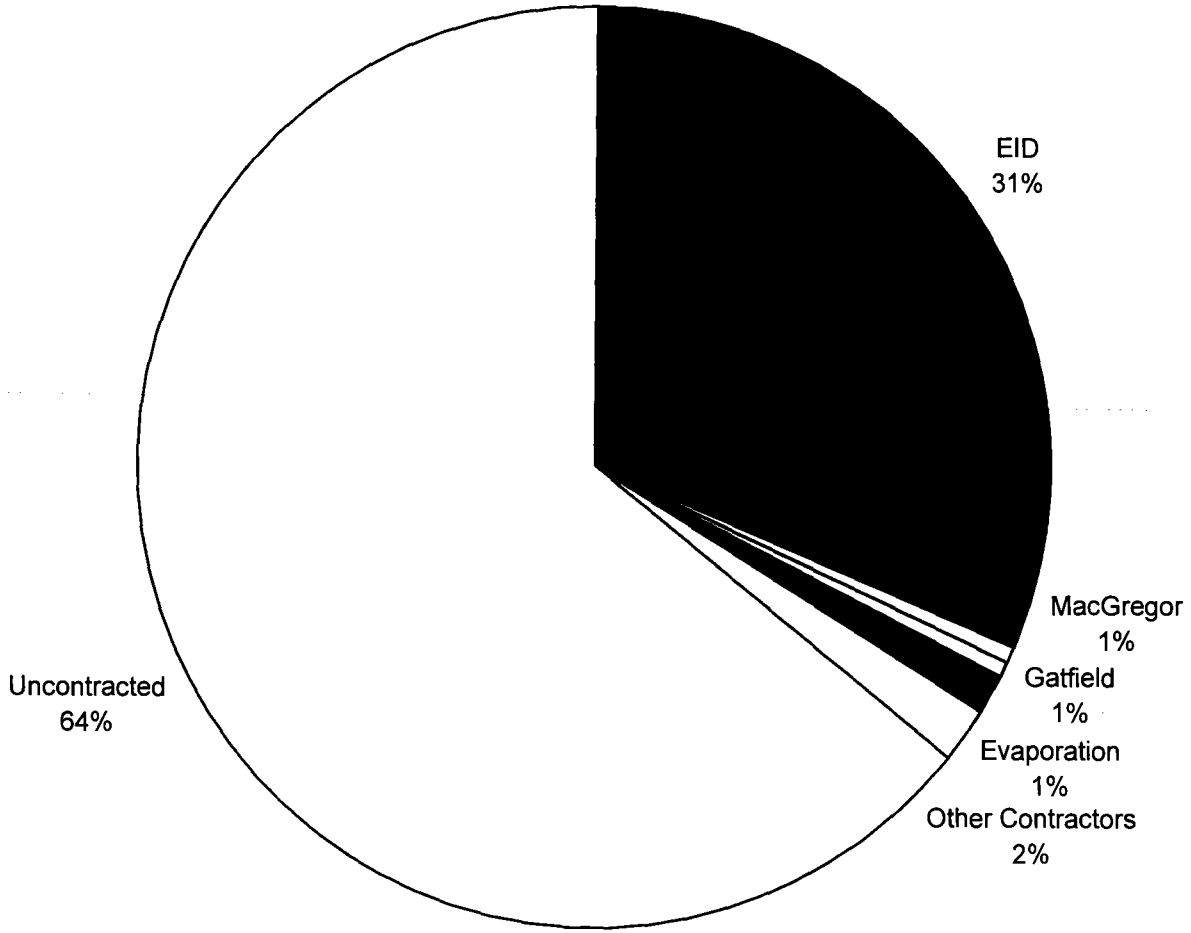

**3.** Bureau of Reclamation proposed fall flood control curves on Cascade and Deadwood Reservoirs for the 1995 season and beyond - Jerry Gregg, Manager, Snake River Area Office.

**4.** Issues affecting various water rights, the storage accounting, and the rental pool for the 1995 season - Watermaster:
