DARLEN ? FAX

Skip,

Here is a phone message I got from Howard Hall. You can listen to it. He met with Arlin today and said he had a pretty good meeting. They agreed or concluded to have Lowell Allen serve as deputy for the remainder of this season. I received Lowell's oath of office today via fax (apparently he sent it over the weekend but I never received it). I will therefore make the appointment official and send the certificate to Lowell and a copy to both your office and to Arlin. I'll call either Howard or Lowell tonight, and try to call Arlin as well and let them know that I got the oath and will appoint Lowell.

Tim
