**RE: Water Right No. 37-00353 - Richard and Paula Ziker, Trustees
Our File No.: 514/980191**

Dear Lee:

As you know on December 29, 1999, the Idaho Department of Water Resources issued its Preliminary Order in *The Matter of a Call for Delivery of Water Right No. 37-00353 to Richard and Paula Ziker, Trustees*. This Preliminary Order became a Final Order in accordance with the Department's Rules of Procedure on January 19, 2000, since no one filed a Petition for Reconsideration or exceptions to any part of the Preliminary Order. Under that Order, our clients, Richard and Paula Ziker, as Trustees of the Ziker Family Trust, are entitled to delivery of 0.2 cfs of Water Right No. 37-00353 upon payment of any applicable Water District 37 assessments.

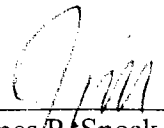

Please advise me immediately if there are any amounts due and owing from my clients to the Water District 37. If you do not respond within ten days of the date of this letter, we will assume that our client does not owe any amount for Water District 37 assessments.

The second purpose of this letter is to make a formal request on behalf of our clients, for delivery of their portion of the water right as soon as District No. 45 determines water should be delivered this irrigation season.

Please call me right away if you have any questions concerning these matters. Thank you once again for your continuing cooperation and assistance.

Sincerely yours,
