RESOLUTIONS PERTAINING TO THE TIME AND MANNER OF COLLECTING
THE BUDGET AS ADOPTED AT THE ANNUAL MEETING OF THE WATER
USERS OF
WATER DISTRICT NO. 31

RESOLUTIONS

HIGH WATER AT MUD LAKE

Moved: Don Parker, seconded by: Jim Hagenbarth, passed

That the watermaster be authorized to divert of any high water and that such water be considered stored in the aquifer, with rights to the water being retained by the District. Diversion of said waters would be by diverting at the Lone Tree diversion site, and pumping through the diversion ditch at the end of Owsley Canal.

Be it further resolved that the advisory board seek legal advise on filing a use right or amending an existing claim to ensure the recording of the historical use of the diversion of Camas Creek surface flow into the aquifer at the Lone Tree Diversion. This diversion practice has occurred for years and is well documented in the Swave Decree and other District #31 records.

COLLECTION OF WATER ASSESSMENTS

Moved: Keith Shuldberg, seconded by: Gerald Messerli, passed

That no ditch, canal company, or other water user shall have the right to demand and receive water, and the watermaster shall not deliver such water, until full payment is made. Said payment becomes due April 1, and becomes delinquent April 15, and if not paid by April 15, shall bear interest from the date of April 1, until paid at the rate of 8% per annum. That government agencies be exempt from the above provisions to the extent necessary for them to comply with payments according to the provisions of Federal law, and that the Watermaster of District #31, be authorized to enter into contract with said agencies of the United States for payment of assessment as provided in the budget.

MUD LAKE WATER USERS

DISTRICT BILLINGS AND COLLECTIONS

Moved: Dave Hagenbarth, seconded by: Keith Shuldberg, passed

Be it further resolved that the Clark County Treasurer mail out said billings to make collections of all Water District #31 water users to include all Jefferson County Water Users in said Water District #31 boundaries. Be it further resolved that the Clark County Treasurer also make all payments and disbursements owed by Water District #31, which are presented through the proper claims procedures which are common to other Clark County practices.

WELL WATER MEASUREMENTS

Moved: Don Parker, seconded by: Pete McGarry

Be it also resolved that the following canal companies be allowed to contract with Water District #31 to measure and record and report the well water flow of the Montevue Canal Company, the Jefferson Irrigation Company, and the Producers Irrigation.

Be it also resolved that the Watermaster and his Deputies accomplish the required measurements and recording and reporting of the above named companies.

Be it also resolved that monies paid for these services be paid from a separate account deposited in a bank account under a subterranean heading. The above canal companies be charged a fee of \$26.00 per second foot (c.f.s.) for the above services. The monies paid out for these services shall be drawn only if the check is signed by the chairman and the secretary of Water District #31. We order that the water district is out no costs from any source of the regular water district funds and that recording and reporting be separate from the regular water district water reports and budgets.
