PHILIP E. BATT
GOVERNOR

KARL J. DREHER
DIRECTOR

April 30, 1997

Doug Rosenkrance
Watermaster, Water District 34
PO Box 53
Mackay ID 83251

Dear Doug:

I understand that you have had some dialogue with representatives from the Department and the Attorney General's office regarding the delivery of right 34-00470A, owned by Lynn Reno. This recent communication was made in response to a letter addressed to you by James Speck, attorney for David Stoecklein. That letter requests that you deliver Mr. Reno's right at a point of diversion in the (SE)NWNW of section 36, T8N, R22E, not the point of diversion known as the Upper Fish Hatchery Canal located in section 34 of the same township and range.

There does appear to be some confusion regarding the proper point of diversion for right 34-00470A. The decreed point of diversion is located in the SE quarter of section 34, as shown by approved transfer no. 661, dated April 11, 1944. It is my understanding that Mr. Reno currently claims the section 34 location as the correct point of diversion. As you know, and as Mr. Speck's letter states, the Director's Report for this right identifies the point of diversion as being in the SWNWNW of section 36, T8N, R22E. The point of diversion as claimed for 34-00470A in the Snake River Basin Adjudication (SRBA) is also the SWNWNW of section 36. The Order for Interim Administration in Basin 34 as signed by Judge Hurlbutt does require water rights to be administered as reported in the Director's Report. The Department therefore directs you to deliver right 34-00470A to the point of diversion in section 36.

This directive should be followed until further notice or instruction is provided by either the Department or the SRBA court. Please contact me or the regional office if there are additional questions concerning the delivery of this right. Thank you for your cooperation in this matter.

Sincerely,

Tim Luke

Re: Water Right No. 34-00470A - Lynn Reno

Dear Doug:

I represent Dave and Mary Stoecklein, Walter and Shelley Stoecklein, and Bar Horseshoe Cattle & Livestock Company. Dave Stoecklein tells me that the 80 inches of the above-referenced water right is presently being diverted at the Upper Fish Hatchery Canal. The Director's Report for this water right specifies the point of diversion as the SE $\frac{1}{4}$ NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 36, not a point in Section 34 where the headgate for the Canal is located. There is no document in the SRBA Subcase file which states otherwise.

The Permanent Order for Interim Administration in Reporting Area 1 (Basin 34) issued by Judge Hurlbutt on December 20, 1995 requires that water rights be Administered as they were reported in the director's report." Therefore, Water Right No. 34-00470A must be delivered, if at all, at the point of diversion in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 36. Please see that this Order is complied with immediately.

Sincerely yours,

HOGUE, SPECK & AANESTAD, P.A.

James P. Speck
