Subject: Mitigation Plan participants

Mitch,

Attached is the list of mitigation plan participants for both your and Pehrson's plan. To assure these lists are complete, would you review this and note any corrections that are needed. The basic list came from Water Dist. 34. I am concerned that some participants in your plan are not shown on this list. This is because some Water dist 34 account names may differ from those that have signed up for your plan, and thus I couldn't determine a correct match.

Please contact me or Crystal Monday morning with any corrections or additions this list. Also, call if you have questions. Thank you.
