DIRK KEMPTHORNE

Governor

KARL J. DREHER

Director

November 3, 2004

Dear Wateruser:

In July 2004, the Director of the Idaho Department of Water Resources (IDWR) issued an order requiring curtailment of diversions of ground water. Ground water users were ordered to cease diverting ground water because mitigation for depletions to the Big Lost River had not been provided as required by the Water Distribution Rules for Water District 34. On or about the day set for curtailment, plans of mitigation were offered and accepted by IDWR, and ground water users were able to continue pumping for the remainder of 2004.

IDWR anticipates the watermaster of Water District 34 will receive multiple requests for mitigation in 2005. IDWR wants to avoid the threat of curtailment during the 2005 irrigation season. Mitigation plans should be formulated early and be presented at the annual water district meeting in March 2005.

In order to assist in mitigation plan formulation, IDWR is sponsoring monthly public meetings to discuss mitigation and other water related issues. The purpose of each meeting is to present information about proposals for mitigation and for general operation of Water District no. 34, Big Lost River. The times and places of the meetings are as follows:

November 16, 2004 7:00 pm

Butte Middle School Auditorium - 120 S Water St., Arco, Idaho

December 14, 2004 7:00 pm

Mackay High School Auditorium - 411 Rose Ave., Mackay, Idaho

January 11, 2004⁵ 7:00 pm

Butte Middle School Auditorium - 120 S Water St., Arco, Idaho

February 8, 2004⁵ 7:00 pm

Mackay High School Auditorium - 411 Rose Ave., Mackay, Idaho

Groups who want to present/discuss mitigation and water management proposals prior to the evening meeting may schedule a discussion session with IDWR staff during the afternoon of the day of a scheduled meeting. A discussion session can be scheduled by calling Deborah Gibson at (208) 287-4942 or emailing her at: Deborah.Gibson@idwr.idaho.gov. A discussion session must be scheduled with IDWR at least five (5) days before the evening meeting.

The time and place of each discussion session will be posted on IDWR's home page at www.idwr.idaho.gov under the heading of "News and Events" approximately five days prior the meeting. Discussion sessions will be open to all interested persons. Those requesting the discussion session will be the only vocal participants, however. Discussion sessions will be limited to 60 minutes. The content of each discussion session will be summarized at the evening meeting.

I invite you to participate in these meetings to prepare for the 2005 irrigation season.

Sincerely,

Gary Spackman
