- The expenses of the district for the ensuing year shall be limited to the budget adopted at this annual meeting and shall be apportioned among the individual water users in the district based on the amount of water used by each user during the ensuing year. The Watermaster shall prepare a report for the district on or before April 1, 2004 showing water use by each user during the ensuing year, along with a summary of expenses and hours worked. The watermaster shall further determine the costs owed by each user based on the owners' use and proportionate share of the actual expenses.
- 7. An advisory committee shall be elected to provide input to the watermaster and the Director of IDWR. The advisory committee shall be as follows:
- The annual Water District 63-S meeting shall hereafter be held on the (day of week) of (month), of each year unless the Director of IDWR should find it necessary to change the meeting date or unless changed by resolution of the district at any annual meeting.
- Copies of the minutes of the annual meeting, the budget as approved, all resolutions approved, and any reports summarizing the expenses of the district and apportionment of costs among users shall be filed with the director of the Department of Water Resources in accordance with Idaho Code § 42-617
- 10. The watermaster of Water District 63-S shall be responsible for submitting to IDWR annual reports showing water use and such other information that may be deemed necessary by the Director of IDWR in accordance with Idaho Code § 42-606.
- The watermaster is authorized as an employee of IDWR under Idaho Code § 42-1701(5) to make reasonable entry on lands within the district, in accordance with IDWR policy, to carry out the duties of the watermaster as instructed by IDWR These duties include but are not limited to:
 - a) Monitoring diversion and measuring rate and volume of water diverted from ground water and other public water sources
 - b) Measuring the depth to water in wells
 - c) Monitoring the place, period, and nature of use of water to identify unauthorized diversion and use and to determine compliance with water rights in the district.
