Dear Mr. Peterson;

Per your request, enclosed are computer listings of all rights on Muldoon Creek. One list covers the original water rights, while the second shows the SRBA claims.

With regard to your request for appointment as watermaster of District 37-0, we need two things from you. A call-on petition is enclosed; it must be signed by at least one, and preferably more, users from the district. The enclosed oath of office must be signed before a notary by you and returned to this office along with the petition. Once these documents are received, as required by Sec. 42-605(8) and 42-608 Idaho Code, you will be appointed as watermaster of District 37-0.

Sincerely,

James E. Stanton
