Dear Mr. Peterson;

We are returning your 1994 watermaster report and your 1995 proposed budget for Water District 37-0. The watermaster report needs to be signed before a notary before being submitted to this office. In the proposed budget, costs need to be shown separately for each water user; as submitted, it appears that you charge yourself for the full cost of watermaster services.

Sincerely,

A handwritten signature in cursive script that reads "James E. Stanton".

James E. Stanton
Sr. Water Resource Agent

*Jim will come in and sign the watermaster report again
when he gets back to Idaho in the spring.
We do not have a notary that I know of in Carey.*

Mary Peterson
