Water District: 37-O, Muldoon Creek

Dear Mr. Peterson;

We have received your 1999 watermaster's report, which was mistakenly sent to our Boise office. I did notice a discrepancy between the report and your proposed budget, however. The budget shows a charge of \$49.18 to Grant Ellsworth, and a charge of \$12.87 to Bean Twombly Land & Cattle. On the report, the water rights of these two entities are listed under Muldoon Ranch; the charge is only \$49.18. Is this correct? The report states that \$125 is due, but charges a lesser amount due to this discrepancy. Also the front page of the report should show the amount due to the district, not just to the watermaster. Your report shows \$50 due, so it disagrees with itself. The report is being returned to you for correction. You can make corrections on the existing report by initialing any changes.

Regards,

James E. Stanton Sr. Water Resource Agent JUN 6 - 2000
