Water Meeting  
District #74-m  
March 13, 2007

A meeting of District #74-M Water District was called to order by President Bill Loudy at 7:00 p.m. at the Tendoy School. Members present were George Garrison, Jo Ann Loudy, Bill Loudy and Jerry Eastman.

The minutes of the 2006 meeting were read and approved. The Financial Report was given. The checkbook balance was reported as \$587.27.

Jerry Eastman proposed a budget of \$600 as it has been in the past several years so that everyone would have the same assessment. A motion was made and seconded to approve the proposed budget. The decision was unanimous.

A motion was made and seconded to keep the same officers for this year. The decision was unanimous.

Under Old Business, a discussion of the weirs took place. Everyone must have weirs in place to get water. Most of them are in and in good working shape. No one will be able to divert water out of the creek without this control device.

George Garrison made a motion to keep Jerry Eastman as Water Master for the 2007 year. Bill Loudy seconded the motion. The decision was unanimous.

The meeting was adjourned.
