17 DEC 2008

Concerning the water delivered in Water District 41 in 2008

The tradition of letting the ditches take all the water they wanted until water was short continued this year. I began measuring water on May 8th when I had all the excess water cut from the ditches.

It was at this that the Landing Drainage was short. I was also short water in the East Fork drainage most of the summer and in the South Fork drainage in August. I was able to pull the locks and quit measuring the water on the 1st of October.
